

FALL ADVENTURES

A Social Story for Outings

In the fall, the leaves change colors,
and it gets a little cooler outside.

I might see leaves of red, orange, yellow, and brown. They make beautiful patterns on the ground.

Sometimes,
people like to go
on fall
adventures. I am
going on a fall
adventure too!

Before we go, I can choose
my comfortable clothes to
wear. I want to feel cozy
and just right.

If I have special things that help me feel better, like my fidget toy or headphones, I can bring them with me.

When we get to our outing, I can listen to the sounds around me. Sometimes, I might hear leaves rustling or birds chirping.

There might
be activities
and other
things to do.
I can join in
on the fun!

There may be
new smell and
tastes to try.

Trying new
foods can be
fun too!

If I need a break,
that's okay. I can ask
for a quiet spot to
rest and feel better,
then come back
when I am ready.

When it's time
to go home, I
can remember
all the fun
things I saw
and did on our
fall adventure.

I had fun on my fall
adventure. I can't wait
to go on more!
